

WIND MITIGATION INSPECTION & COMPLIANCE

Licensed and insured General Contractor we can provide a qualified inspection by completing the State of Florida WBDR Form 1802. Citizens Insurance requires this form and we can offer the most Economical and Practical Solutions to comply with opening protections and structural improvements.

IS YOUR HOME COVERAGE \$750K OR MORE?

Did You Know? FLORIDA LAW REQUIRES YOU TO HAVE HURRICANE SHUTTERS, OPENING PROTECTIONS, OR IMPACT GLASS TO KEEP YOUR CITIZENS INSURANCE POLICY!

Products* that comply in order of cost effectiveness:**

We Can Also Provide

- ✓ Plywood Panels
- ✓ Steel Panels
- ✓ Aluminum Panels
- ✓ Clear Lexan or Polycarbonate Panels
- ✓ Accordion Shutters
- ✓ Bahama Shutters
- ✓ Roll Down Shutters
- ✓ Impact Glass Windows & Doors

Impact
Garage
Doors

Generator/
Battery
Back Up

Hurricane Roof/
Wall Strapping

There are rebates, incentives and tax credits that can apply in addition to discounts on your homeowners insurance.

* Installations can vary product applications
** Replacement windows & doors at times can be more economical than motorized roll down shutters

Quality, Reliability & Competitive Pricing

We Are A Family Owned, Customer Orientated & Full Service Company

The Key components contributing to the success of Awning Works have been our unwavering commitment to Quality first, satisfying our customers and diversifying our product line to offer a complete exterior makeover of your home. Uniquely we are the same family that has been operating Awning Works for 25 years and are Licensed and Insured as a General Contractor, and now Offer products like Interior Sunbrella Shades, Umbrellas and Stainless Steel Cable Railings. We also provide services like Wind Mitigation inspection and we can perform the work necessary to meet Citizens Insurance requirements for structural improvements, Garage Doors and Impact Windows. In 1990 we designed and started manufacturing the portable Showoff Canopy used by Artists for weekend art shows. In 2001 we expanded into Web Development with online stores that offer Fabric By The Yard with FREE SHIPPING, or we can design and build you a simple to advanced e-commerce website.

Custom Fabric Products

Over the years we have manufactured many creative concepts or re-manufactured poor quality fabric goods for playground sets, shade sails, trellis covers, tent covers, cushions, drapes, industrial covers, specialized tarps and more.
