Awning and Canopy Manufacturer located in the
Tampa Bay Area, Florida, Since 1985

AIRFOIL LOUVER SUNSHADES

- Florida Pre-Engineered *
- Custom CAD Designs- Cantilevered & w/ Arm Supports
- Pre-Manufactured & Ready to Install **
- Welded Extruded Aluminum Construction
- Finishes
 - Marine Grade Powder Coat
 - Kynar Paint

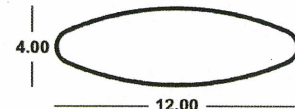

*Most Designs Engineered to 150MPH Wind loads. Due to the wide variety of regional building codes, site specific Engineered Drawings are required on most projects, which we can provide.

**Large Sunshade Projects are module designed for simpler installation and can be shipped directly to the jobsite.
