PINNACLE ONE

The Pinnacle One is a retractable shading system that can be used individually or combined with multiple units. The Pinnacle One also features a cassette style housing that incorporates a brush to prevent debris from rolling up with the fabric into the unit.

Engineered with its own supporting frame structure allowing for mounting without the need for a pergola or roof.

PINNACLE ONE WITH DROP SCREEN

PINNACLE TWO

The Pinnacle Two can be mounted on an existing unit or pergola and includes the same engineering features of the Pinnacle One without the front legs, for easy mounting to an existing structure.

Engineered without the front legs needs an existing structure for mounting.

PINNACLE TWO

THE BENEFITS OF PINNACLE ONE

- Powder coated aluminum components are corrosion resistant
- Minimal mounting footprint require
- Tensioned spring/cord system ensures taut fabric performance
